

W E L C O M E

Welcome to the Langley Quarter Midget Association!

As a Not for Profit organization, LQMA is proud to be entirely run by all its members.

As a new member, we encourage you to get involved by volunteering so that we can continue to enjoy the thrill & excitement of racing in this family based sport.

If you require any assistance such as setting up your car, finding parts, or just want to get more information, please contact any of the Executive Members or Club Members and they will be happy to help you out.

Our membership is based on a family basis, so whether you have one child or more, there is one registration fee. This registration fee includes your membership with the Quarter Midgets of America.

Your QMA membership will allow you to race at all the tracks located throughout the United States and Canada.

Langley is currently the only Canadian QMA Club, however we are part of Region 9 which includes tracks in Washington State & Oregon State.

2025 REGISTRATION INFO

NEW MEMBERSHIP

Please register with QMA online at www.quartermidgets.org, You are required to submit a copy of your child's birth certificate and pay the fee of \$200.00 USD.

You are also required to register with LQMA at lqma.square.site and pay for your 2025 LQMA Novice Membership. If you complete a Ride Clinic, your LQMA Registration will be waived.

KEY DEPOSIT

You are required to pay a \$50 key deposit upon your initial registration. You will be provided with a key to the track allowing you to practice when it's convenient for you, except for when the track is closed. The key deposit is refundable when the track keys are returned to the Treasurer. You will receive this key once you have completed Novice Training.

Novice Training

Novice Training consists of a minimum of six training sessions and one Novice race. Training begins on Saturday, February 22, 2025. Please bring your race car, safety gear (race suit, donut or neck safety device, gloves, helmet, wrist restraints, proper shoes) and receiver for the first day and if you don't have a car, you should arrange to have one for day two.

Please refer to the Novice Info page on our website for the 2025 Novice Training Schedule and the Novice Handbook.

Additional Fundraising

In order to help cover our annual operating expenses, we host fundraising events throughout the year. These include 50/50 draws, a pub night fundraiser and other initiatives.

Facility Maintenance

All members are required to help keep the track operational during the season. Everything you see at the track was constructed through and maintained by the families. The track, buildings, grounds, etc. require continual upkeep to keep everything functional & in good condition.

Facility Maintenance days are listed on the 2025 LQMA Race Schedule and additional work parties will be emailed to members. If you are not able to attend a Facility Maintenance day, you can offer to volunteer at alternate times that fit your schedule. 20 volunteer hours are required per family.

General Meetings

Our Club Meetings are held once a month. Please make it a priority to be present for these meetings to keep up to date with the latest race & track details, vote on important decisions and share your ideas.
